# Facial Treatments

*Our facial treatments are results-driven, precise and performed only by highly trained and experienced estheticians. A facial cleans, exfoliates and nourishes the skin, promotes a clear, well-hydrated complexion, and can help your skin look younger. Our customized treatments are designed to deliver intense results, producing a fundamental improvement in the health and appearance of your skin while providing you with a smooth, youthful, radiant appearance.*

*Please see our menu of exclusive facial treatments available only at Toska Spa & Facial Bar:*

## **Signature**

### ***Deep Cleansing 245***

*Clear and refine your skin with a blend of products chosen by our experts based on your individual skin type. This treatment will exfoliate the skin, clear clogged pores, and stimulate cellular renewal.*

### ***Brightening 295***

*A combination of microdermabrasion and oxygen therapy brings life to dull, stressed complexions. This treatment is ideal for devitalized skin.*

### ***Pregnancy 295***

*This treatment addresses the specific skin problems brought on by pregnancy. All products and techniques applied in this treatment are safe to use while pregnant or nursing.*

### ***Gentlemen's 295***

*Designed specifically for men, this treatment addresses various skin concerns with a deep cleanse, pore refining, and a boost of hydration.*

# **Biologique Recherche**

**SIL 50**

*Skin Instant® Lab is a skin analysis system designed to take an in-depth snapshot of your skin and monitor changes over time. This allows our estheticians to use cutting edge technology combined with expert visual diagnosis to customize a skincare plan for you and adjust it as your skincare needs change.*

## ***Remodeling with Deep Cleanse 345***

*One of our personal favorites, this purifying treatment is the ideal facial for acne-prone skin. It accelerates the healing of imperfections and tightens the pores for a balanced complexion.*

## ***Remodeling with Deep Cleanse and Manual Lift 395***

*This treatment has all the purifying and exfoliating benefits of Remodeling with Deep Cleanse further enhanced with the addition of Manual Lift. Suitable for all skin instants, this treatment helps improve elasticity and reduces the appearance of fine lines.*

## ***Supreme Remodeling 495***

*The ultimate facial for toning your skin and achieving radiant complexion. This treatment combines Remodeling Face to sculpt, a fruit acid peel to exfoliate, and a booster based on your skin's needs. The result is a firm and brightened complexion.*

# Advanced Treatments

## **Pro Skin 395**

*This innovative treatment uses state-of-the-art technology that rejuvenates the skin without any discomfort or recovery time. The revolutionary technology offers Diamond Photoabrasion, Light Therapy, Myo-Light (Microcurrent) Therapy, and Biosonix Ultrasound for a full suite of procedures to address all your skin concerns.*

## **Oxylight 495**

*Building on the state-of-the-art ProSkin Facial, Supreme Oxylight adds Oxygen Therapy in the form of a pure oxygen infusion spray, as well as full spectrum LED to provide the ultimate combination of treatments for optimal non-invasive skin rejuvenation.*

## **Ionix 595**

*An enhanced version of our Supreme Oxylight Facial, Ionix Light utilizes full spectrum LED Light with Negative Ion Therapy, Negative Pressure Lymphatic Drainage, Oxygen Therapy, Microdermabrasion, Microcurrent, Radio Frequency, BioSonix Ultrasound for immediate and accumulative results. This highly targeted treatment dramatically reduces lines, wrinkles, hyperpigmentation, and post-acne scars. The Ionix Light treatment also improves muscle tone, reduces puffiness, eliminates toxins, increases cellular activity, and stimulates collagen production.*

## **MPL Face 295**

*The Micro-Puncture Lab (MPL) treatment method is based on the skin's ability to regenerate itself when stimulated. The production of collagen and elastin are increased, which boost the skin's elasticity. The end result is a refined complexion, with fine lines smoothed out and less visible imperfections, such as scarring.*

**+neck 395**

**+decollete 495**

# Waxing and Tinting

Toska European Spa offers a wide range of waxing, brow shaping and tinting services, from quick and easy eyebrow touch-ups to face, arm, and leg hair removal. Waxing along with exfoliating can help reduce ingrown hairs and eliminate razor bumps. When you wax, your hair grows back less dense; leaving your hair finer and softer.
